

WEDNESDAY NIGHT MOVIES AT BARRINGTON CLUB

HOUSE OF GAMES

WRITTEN & DIRECTED BY DAVID MAMET

A therapist and best-selling author (Lindsay Crouse) meets an attractive cardsharp (Joe Mantegna) who lures her into his world of high-stakes deception.

"Mr. Mamet's screenplay builds much like a whopping-good poker game in which the stakes become so high that the players, having invested so much, can't afford to pull out."
