There is an important meeting on May 9th at 2:00 PM at the Community Center It will only last an hour and they will discuss food access at Marker 36 during the summer. The more people who attend the better chance we have of keeping food services open longer ...also they will discuss summer activities. Plan on requesting activities you would like to see available.

On May 8 from 4-5:30 there will be a Happy Hour at Pelican Bay Inn for residents (this will occur monthly on the second Wednesday of each month through the summer.
