

Pest Control Services:

Harps No-Risk Service provides quarterly pest control treatments on the exterior of all buildings within the Barrington community. As part of their contract, they also provide a call back service on an as needed basis for the interior of the units. Homeowners who have an issue and want to request a call back for interior service should call Harps directly at 239-348-1900 to schedule an appointment.

Please note that flea and tick treatments are an additional cost to the homeowner and are not covered by this contract.
